

**MINI, MIDI, MAXI SHOWJUMPING AT BARNADOWN 21<sup>ST</sup> FEB 2010**  
**Results / Report**

We had a lovely, bright sunny day as we enjoyed the fantastic facilities at Barnadown. The competition opened with the minis with Laura O'Connor starting off with her lovely new pony, Cosmo. She managed to get a clear round on her first time out so well done Laura. Pdraig Moran followed ,also on Cosmo, as his own pony, Merrylegs, was out of action on the day. Pdraig also got a brilliant clear round.

The biggest competition of the day was the midi competition with Jane Hogg taking first and second on Sylvester and Buddy and Niamh Craven coming third on Connie. Everyone rode really well and some were unlucky to have a fence or two down.

The real fun started with the derby as the competitors flew around the arena to gain the maximum points. Elma Butler and Roisin Moran came first. Katie McGuinness and Ruairi Craven came second . James Butler and Roisin Moran came third. Well done to everyone who took part.

A big thank you to Maurice and Felicity Cousins for allowing us to use their fantastic facilities.
